

## The Junction exterior sculpture featuring reused and recycled materials

### Frequently Asked Questions

#### **Is the artist or group required to create the signage and education materials?**

No, they only need to write the content. The physical signage is paid for by the commissioners.

#### **Is transportation of materials to site included in the artist fee?**

Yes, the artist or group should allow for the transportation of all materials to site. Is there a separate budget for welders or construction contractors to actually make the work?

#### **Is there a separate budget for welders or construction contractors to actually make the work?**

No, any sub-contracting by the artist needs to come out of the fee. Sub-contractors need to be approved by NPDC.

#### **Is there a separate budget for materials?**

All materials should come from the project fee.

#### **Are accommodation, transport and petrol to be paid for from the commission fee?**

Yes.

#### **Is the artist responsible for public liability insurance during the construction and siting of the art work?**

No.

#### **Does the artist or group need to register with NPDC?**

Yes. You will need to complete documentation, and with Intercreate Trust if necessary, write an OSH plan.

#### **Are there options for the placement of the art work?**

No. The art work must be located outside the entrance, approximately in the area indicated
